

Dear Washburn Area Youth Hockey Booster:

The Minneapolis Washburn *Wings of Spring* hockey tournament is the capstone to the hockey season for youth hockey teams across the upper Midwest. Organized every March by the Washburn Amateur Hockey Association (WAHA), Wings of Spring is one of the best run hockey tournaments in the state and is one of WAHA's largest fundraisers. We aim to make this year's tournament the most successful ever!

At Wings of Spring, a copy of our advertising souvenir program will be given to all participants, fans and volunteers at the tournament. With 26 teams, we will have more than 350 skaters plus expected attendance to exceed 1000 fans. In addition, we will have 100+ local volunteers working at the tournament. The souvenir program includes team rosters, game schedules, and tournament information and will feature advertising from supporting sponsors like you.

The income from this tournament supports the 250+ players and families in the Washburn Amateur Hockey Association. Proceeds are used to fund equipment, ice times, skater scholarships and other expenses associated with our youth hockey program. Your support makes hockey a financial possibility for many skaters.

We would be proud to feature you, or your company, in this year's tournament souvenir program. Please help us by reserving advertising space on the form below. We appreciate your including payment with your form.
